

World Class Transportation Services Can Become Your Reality

May 10, 2017

MIAMI – Our brand is as important to us as the satisfaction and value we provide to our customers. As a company that specializes in transportation for all south Florida, our fleet of executive Sprinter Vans, mini-coaches, coach-buses and more, are available for everyone. Whether you are like Mike or Joe Schmo, our goal is to provide on-time service with respect to our customer’s integrity and privacy.

Although we appreciate the indirect recognition, we remain committed to providing exceptional world class VIP service for a fair price. Our history values honesty, and while we know people tend to stretch the truth, our commitment is to making you feel like a VIP. Book a trip with us today at MiaVipTrans.com and at 7nAboveTrans.com and let us treat you and your family the MIAVIP way.

Also, we would like to take an opportunity to provide that world class service to Shad Moss the next time he comes down to south Florida and to let him truly experience how to travel the VIP way.

With transportation service available 24/7, you can also follow us on social media and be sure to tag us using #MiaVipTrans #7nAboveTrans and #TravelandToursGlobal while you take a shot at the #BowWowChallenge and keep up-to-date with all the exciting deals, discounts and expansions sure to come.
